

## Sign-up Questions

Please email your answers to [gerald@email.uni-kiel.de](mailto:gerald@email.uni-kiel.de) to sign-up for the class. Your answers serve a purely informational purpose: They will allow me to better tailor the course to your needs.

- Q1 What is your major field of study (econ, business, ...)?
- Q2 Are you an undergraduate (GS/HS?) or a graduate (Ph.D.) student?
- Q3 How many semesters have you attended the CAU?
- Q4 How much experience do you have in microeconomics? Do you know how to derive demand, expenditure or cost functions? Can you calculate a market or general equilibrium?
- Q5 How much programming experience do you have? Have you ever used Mathematica? Any other programming language?
- Q6 Do you own a laptop that you could bring to class? In case you do not, do you have a desktop at home that you could use to run Mathematica?
- Q7 What is your motivation for taking this class? What do you expect to learn?
- Q8 Are there any topics in particular that you would like us to cover in this class?

*thanks for answering*
